"I've played a lot of concert venues in my career, and the Fox Tucson Theatre is one of my favorites."

- PAT METHENY, APRIL 19, 2010

As legendary jazz guitarist Pat Metheny's quote above suggests, the Fox Tucson Theatre is known throughout the U.S. for its physical beauty and near perfect acoustics. Our painstakingly restored, state of the art facility is many things to many people: Southern Arizona's only remaining "movie palace," an elegant and sophisticated performing arts venue, a multi-purpose community center, and a unique rental facility for corporate, non-profit, and private events.

Your contribution keeps the lights on, the doors open, and high quality entertainment coming to "the Fox." Your tax-deductible support not only provides you with valuable benefits all year long (see our website for details), but also contributes to the continued resurgence of this Southern Arizona treasure. With your help, we're creating memories that will last a lifetime for yet another generation of Tucsonans.
